

Make it Visual

Make a "Wanted" Poster

Make a "Wanted" poster for one of the characters in the fairy tale. Include a picture, a physical description, the character's misdeeds, and other important information. Include the reward offered for the capture of the character.

Create a Map

Create a map or model of the setting of a chosen fairy tale, using descriptions from the story as your guide.

Select a Container

Select a container that is symbolic of the fairy tale (e.g., a cereal box, an envelope, a soup can). Decorate your container to represent major elements found in the fairy tale (e.g., setting, characters, conflicts). Then fill the container with 10 things that have a connection to the story (or that represent things that have a connection to the story). Explain your choices for both the outside and inside of your container.

Create Nicknames

Create a nickname for each of the characters in the fairy tale. Show a visual of each character and tell why you chose the nickname to represent that particular character.
