

SUMMER CAMPS

Kids need to get moving and that is what we do at Movement Madness. Our camps are geared towards kids entering kindergarten up through age 12. We provide a fun, exciting way for kids to stay fit and have fun in a non-competitive, encouraging environment. Our summer camp instructors provide your child with encouragement to build self-esteem, movement to get and keep them healthy, games to teach sports skills and sportsmanship and fun and laughter with new and old friends to help develop social and emotional well being.

At movement madness we believe in the complete development of children. Kids who are physically fit are also mentally, emotionally and socially fit. Studies show that fit kids do better in school, have an easier time making friends and have the self confidence to try new things and take risks. Isn't this something we all want for our children?

The drills and games we play – catching, throwing, dribbling and kicking - will improve your child’s strength, balance, flexibility and ball handling. Your child will develop an increased level of self confidence, hand-eye coordination and ability to work as a team. The kids will have fun practicing their skills in the drills and putting what they have learned into play during games.

Dates/ locations

Steele Elementary
June 5-9 & Aug 7 -11

DPSchool to be
Determined for all
