

# Bees Knees Book Club

New Sessions!

FOR 1<sup>ST</sup>, 2<sup>ND</sup>, & 3<sup>RD</sup> GRADERS  
SUMMER 2017

Keep your kids reading throughout the summer with our **play-based** book club! Each club is designed to create fun and rewarding experiences that provide children with opportunities to **think, reflect, share, play and create!**

Each week, children will read a pre-selected book and attend book club where they will connect with other kids through thoughtful book discussions, games, crafts, snacks, science projects, and other interesting activities! Whether you have a reluctant reader or a child who devours books faster than you can supply them, this book club is for you!

The summer book club is for children at a variety of reading levels and centers around having fun with books. For children who will be entering first grade in the fall, this is an opportunity for parents to spend time reading with your children, as some of the books may be beyond their ability to read independently. For children who will be entering second and third grades, this is an opportunity to read for pleasure. **For ALL, it's an opportunity to enjoy some really good stories and return to school with increased confidence, literacy, vocabulary, language, critical thinking, and problem solving skills!**
