

Be an actor in... **TOYS** at Steele Elementary!

What is KidStage? KidStage is a theatre and acting class for kids! The curriculum includes concentration, teamwork, improvisation, movement, voice and basic theatre terminology. At the end of the class, KidStage kids will perform for peers and parents. All classes are taught by trained instructors, whose goal it is to teach your child about the excitement of theatre, improve your child's self-confidence, and to provide a safe, fun and interesting environment. KidStage will strengthen your child's confidence as well as build teamwork, leadership, reading, and vocabulary!

Who is this class for? This class is appropriate for experienced students as well as beginning students grades 1-5. Kids must take the time outside of class to memorize their lines.

What is the Production? What happens when the door of the playroom closes? Join all your favorite toys from the Army Men to the Potato Heads and find out what goes on when your child leaves the room and the toys are left to their own devices. Follow Sally, the vintage cowgirl, as she comes face to face with the newest, most technologically advanced toy, Sammy Spaceman. Consumed with jealousy, Sally and her pals do everything they can to ditch Sammy only to realize that the only way they can get back home is if they work together. A story of trust, friendship, and camaraderie, Toys teaches the importance of working as an ensemble and supporting each other onstage and off!

What if I have questions about the class? Please call us on 303-514-8600 or e-mail denverkidstage@yahoo.com. The cost for this entire 11-week program (over 14 hours with the Director) is only \$180 per student and can be paid with check or credit card or paypal.
