

 **WELCOME TO PEDAL ADVENTURE CAMPS (P.A.C.),** where our campers spend their days exploring Denver and the surrounding areas by bicycle. While other camps are stuck in one place, each morning we gather near Wash Park and head out for the day exploring the amazing and wondrous sights of Denver. With miles of paved trails connecting the sights, it is easy to get from adventure to adventure by bike. Every day is a different adventure. We strive to encourage a passion for exploration and investigation of our city with spontaneous stops and adventures. Our kids learn to be a more confident rider while having fun riding around town.
